

# 6<sup>th</sup> Austrian-Swiss Metabolic Meeting (ASMM)

Vienna, April 4-5, 2019

---

UNIVERSITÄTSKLINIK FÜR KINDER- UND JUGENDHEILKUNDE

MEDIZINISCHE  
UNIVERSITÄT WIEN

Allgemeines Krankenhaus  
der Stadt Wien

Schloss Schönbrunn, Vienna

## Update in Dyslipidemias and Newbornscreening

---

FINAL PROGRAM

---

# General Information

---

## Location

---

### Fleming's Conference Hotel Wien

Neubaugürtel 26-28

A-1070 Vienna

E-Mail: [conference.vie@flemings-hotels.com](mailto:conference.vie@flemings-hotels.com)

Tel.: +43 1 22737 0 Fax: +43 1 22737 9999

[www.flemings-hotels.com](http://www.flemings-hotels.com)

## Accommodation

---

Reservation according to your own arrangement with a special room rate until

**February 15 th, 2019**

Booking code: **ASMM 2019**

### Fleming's Conference Hotel Wien

**room rate** (incl. breakfast)

single room 109,- €

double room 125,- €

Reservation:

Tel.: 0 +43 1 22737 5014 Fax: +43 1 22737 9999

E-Mail: [conference.vie@flemings-hotels.com](mailto:conference.vie@flemings-hotels.com)

## Registration

---

Your participation is free of charge.

Please register until **latest March 15, 2019** via online link

**<http://www.asmm-registration.com/2019>**

## Organization

---

### Medical University of Vienna

Department of Pediatrics and Adolescent Medicine

Center for Inborn Errors of Metabolism and

Austrian Newborn Screening Program

Waehringer Guertel 18-20

A-1090 Vienna

AUSTRIA

## Local Scientific Committee

---

Univ. Prof. Dr. Susanne Greber-Platzer

Ass. Prof. Dr. Dorothea Möslinger

Dr. med. Vassiliki Konstantopoulou

# Meeting Schedule

*Thursday, April 4, 2019*

---

## **Pre Symposium Meeting**

10:00 – 12:15 h      Austrian Metabolic Group      Fleming's Bibliothek,  
Ground Floor  
*Coffee Break*

---

## **6<sup>th</sup> Austrian – Swiss Metabolic Meeting**

12:30 - 13:30 h      *Welcome Lunch*      Foyer Fleming's  
Floor -1

---

## Plenum

Fleming's Room 4 & 5,  
Floor -1

13:30 – 15:00 h      Scientific Lectures  
*Coffee Break*

15:30 – 17:15 h      Scientific Lectures

20:00 h      *Networking Dinner*      Kaiserpavillon, Tierpark Schönbrunn

*Friday, April 5, 2019*

---

8:30 – 10:45 h      Scientific Lectures      Fleming's Room 4 & 5,  
Floor -1  
*Coffee Break*

11:15 – 13:00 h      Scientific Lectures

---

13:15 h      *Farewell Lunch*      Foyer Fleming's, Floor -1

---

Departure according to your own arrangement.

For this symposium credit points have been applied.

# Scientific Lectures

Thursday, April 4, 2019

## Congenital dyslipidemias

**Chairs:** S. Greber-Platzer, Vienna / D. Ballhausen, Lausanne

- |         |  |  |
|---------|--|--|
| 13:30 h | Welcome  | Susanne Greber-Platzer und Dorothea Möslinger,<br>Vienna |
| 13:40 h | Discovering primary dyslipidemias at early age will gain life-years and improve health | Albert Wiegman,<br>Amsterdam                             |
| 14:30 h | Familial chylomicronemia syndrome and hereditary hypoalphalipoproteinemias             | Thomas Stulnig,<br>Vienna                                |

.....  
*15:00 h Coffee Break*  
.....

## Free communications I-VII

**Chairs:** D. Karall, Innsbruck / M. Gautschi, Bern

- |         |   |                                    |
|---------|---|------------------------------------|
| 15:30 h | Central venous catheters for lipid apheresis: Review of 4 young children with homozygous hypercholesterolemia                                       | Julia Lischka,<br>Vienna           |
| 15:45 h | AUSTRIAN registry for familial hypercholesterolemia   | Gabriele Hanauer-Mader,<br>Vienna  |
| 16:00 h | BCAAs identify patients with increased cardiometabolic risk among a morbidly obese pediatric cohort with NAFLD                                      | Julia Lischka,<br>Vienna           |
| 16:15 h | Lipidomics: An emerging tool in biomedical research   | Harald C. Köfeler,<br>Graz         |
| 16:30 h | Untreated patients with type 1 Gaucher disease: who are they? Results from the Gaucher Non-Treated study (GANT study)                               | Christine Serratrice,<br>Genf      |
| 16:45 h | First report of pulmonary involvement in GM1 Gangliosidosis 1   | Johannes Spenger,<br>Salzburg      |
| 17:00 h | The PICO Study Protocol: Impact of Phenylalanine on Cognitive, Cerebral and Neurometabolic Parameters in Adult Patients with Phenylketonuria        | Lenka Bosanska,<br>Bern            |
| 17:15 h | A modified LC-MS method for the quantification of alpha-amino adipic semialdehyde (AASA) in the diagnostic work-up of vitamin B6 dependent seizures | Günter Fauler,<br>Graz             |
| 17:30 h | <i>End of meeting</i>   |                                    |
| 18:00 h | <i>Bus transfer to 'Tierpark Schönbrunn'</i>  | <i>Meeting Point – Hotel Foyer</i> |

.....  
*20:00 h Networking Dinner*  
.....

*Kaiserpavillon, Tierpark Schönbrunn*

# Scientific Lectures

Friday, April 5, 2019

## Expanded Newbornscreening

**Chairs:** B. Plecko, Graz / M. Baumgartner, Zurich

8:30 h	Opening remarks	Vassiliki Konstantopoulou, Vienna
8:35 h	Expansion of newborn screening: new developments, possibilities and limitations	Dietrich Matern, Rochester
9:15 h	Re-Expanding Newborn Screening in Germany – new results and new insights	Gwendolyn Gramer, Heidelberg
9:50 h	Newbornscreening in Switzerland – now and in the near future	Matthias Baumgartner, Zurich
10:05 h	Newbornscreening in Austria – now and in the near future	Maximilian Zeyda, Vienna
10:20 h	Discussion	Moderation: Dietrich Matern, Rochester

.....  
*10:45 h Coffee Break*  
.....

## Free communications I-VI

**Chairs:** W. Sperl, Salzburg / M. Rohrbach, Zurich

11:15 h	Mitochondrial transporters – a focus on treatment	Saskia B. Wortmann, Salzburg
11:30 h	Impact of oral fingolimod (FTY720) treatment on the metabolome and lipidome of girls with Rett Syndrome	Martina Zandl-Lang, Graz
11:45 h	Regional West-Austrian Experience with Recalls from the National Austrian Newborn Screening Programme from 2005-2018	Jada Steiner, Innsbruck
12:00 h	Interplay of mitochondrial cardiolipin homeostasis with tafazzin deficiency	Markus A. Keller, Innsbruck
12:15 h	Treatment of complex I deficient fibroblasts with CoQ <sub>10</sub> , idebenone and ascorbate: Effects on respiration and intracellular ROS	Fabian Burri, Bern
12:30 h	Exome sequencing and its relevance for treatment	Johannes A. Mayr, Salzburg
12:45 h	Onkologische Kinderrehabilitation im Leuwaldhof	Gustav Fischmeister, St. Veit
13:00 h	<b>Closing remarks</b>	Vassiliki Konstantopoulou und Dorothea Möslinger, Vienna

.....  
*13:15 h Lunch and End of meeting*  
.....

Departure according to your own arrangement.

## Travel directions from airport Vienna to Fleming's Conference Hotel

---

### By Shuttle Bus:

 There is the opportunity to use a public shuttle bus from the airport to "Westbahnhof", with one stop in-between.  
The Bus is leaving 2 times every hour, always 10 past and 40 past. From Westbahnhof it is a 5 minute walk to the hotel, about 500m.  
Costs EUR 8,00 per person.

[https://www.viennaairportlines.at/en/?pk\\_campaign=gen\\_at%7Bhttp:%2F%2Fwww.viennaairportlines.at%7D](https://www.viennaairportlines.at/en/?pk_campaign=gen_at%7Bhttp:%2F%2Fwww.viennaairportlines.at%7D)

### By Train:

 Another possibility is the train CAT. This train goes directly from the airport to "Landstraße-Wien Mitte".  
The CAT is leaving 2 times every hour, always 09 past and 39 past.  
Costs EUR 12,00

<https://www.cityairporttrain.com/en/home>

Second possibility is the public rail jet S7 from the airport to "Landstraße-Wien Mitte", leaving every 30 minutes.  
Costs EUR appr. EUR 4,50

From there you need to change in to the metro line U3, direction "Ottakring", until the stop "Westbahnhof".  
From Westbahnhof it is a 5 minute walk to the hotel, about 500m.  
Public transport ticket: EUR 2,60

### Metro Map:
